

Professional Summary

Email- sachinsinghg03@gmail.com

Phone- 7678479843

Professional Summary

- **Lead Trainer & Full Stack Developer** with 4+ years of industry experience, specializing in **Mobile and Web Application Development** along with deep expertise in **Data Structures and Algorithms (DSA)**.
- Strong command over core programming fundamentals with proven ability to solve complex problems using **efficient algorithms and optimized data structures** — a key enabler in building scalable, high-performance applications.
- Proficient in **Core Java, Advanced Java, Spring Boot, Hibernate and JavaScript** along with **Angular and React** framework.
- Experience in cloud technologies like **AWS, Heroku, Docker, Git and GitHub**.
- Expertise in developing **cross-platform mobile applications** using **Flutter** and **React Native**, integrated with Firebase, RESTful APIs, and custom UI/UX.
- Solid experience in **end-to-end web development** using **MERN, MEAN, and MEVN stacks**, implementing responsive, modular, and scalable components.
- Skilled in back-end services with **Node.js, Express.js, JSP, Spring and Hibernate** and database integration using **MongoDB and MySQL**.
- Delivered successful hands-on training sessions to 4,000+ students, bridging the gap between **academia and industry** with a focus on project-driven learning, algorithmic thinking, and real-world development practices.

Technical Skills

Languages & Scripting:

- Python, Java, Kotlin, JavaScript (ES6)

Mobile Development:

- Flutter, React Native, Android (Java/Kotlin)

Web Development Frameworks:

- JSP, Spring Boot, Hibernate, Node.js, Express.js, React.js, Vue.js, Next.js

Front-End Technologies:

- HTML5, CSS3, Tailwind CSS, Bootstrap, Angular, React

Back-End Development:

- Node.js (Express/Nest), RESTful API development

Deployment and DevOps:

- Docker, AWS, Jenkins, Kubernetes

Databases:

- MongoDB, MySQL

Tools & Platforms:

- Git, GitHub, VS Code, Firebase, Postman, Eclipse, Maven, Gradle

Development Strengths: Strong foundation in both front-end and back-end development, cross-platform mobile app development, and scalable architecture design.

Work Experience

*Software Trainer - **Square Brackets** | Jan 2025 – Present*

- Conducted end-to-end training programs in Java Full Stack Development and Mobile App Development for college students and professionals.
- Delivered workshops and live projects using **Flutter, Kotlin, MERN stacks**.
- Delivered interview preparation sessions with **Data Structures and Algorithms**.
- Designed project-based learning modules and real-time assessments to bridge academic-industry gaps.
- Mentored over **2,000+ learners** in mobile and web technologies with high placement conversion.

*Trainer and Developer - **Soft Crayons Tech Solutions** | Jul 2021 – Dec 2024*

- Delivered hands-on training on **Java Kotlin, Node.js, and Angular** to engineering graduates and working professionals.
- Actively contributed to client-based application development projects alongside training duties.
- Assisted in building custom learning paths for enterprise batches.

*Freelance Corporate Trainer - **Xebia IT Architects** (Freelance)*

- Provided specialized workshops in **Advanced JavaScript, React, Vue.js, and Flutter**.
- Provided sessions in Manav Rachna University on Full Stack.

Education

Dr. A.P.J. Abdul Kalam Technical University, Lucknow

B.Tech, Information technology (2017-2021)

Achievements

Achieved the **SINGLE STAR RANGER RANK** in Trailhead with 77,500 + points, 150 + badges and 13 trails.
